

Uravi Patel

Bellerose, NY | uravi528@gmail.com | (516) 545-9876

EDUCATION

State University of New York (SUNY) – College of Technology at Canton
Bachelor of Science in Cybersecurity | 3.89 GPA | President's Honor List

2024 - 2028

EXPERIENCE

myNetworkHer

Jun. 2023 - May. 2025

Video Editor, FireSide Chat Team

New York, NY

- Edited **10+** podcast-style videos using **Adobe Premiere Pro**, transforming raw Zoom recordings into polished, engaging STEM content. Boosted viewership by **25%** through creative content strategies and collaborated with influential STEM advocates to amplify narratives supporting women in STEM, expanding the reach and impact of the content

Serenemind

May 2023 - Aug. 2023

Instructor, Computer Science Department

- Conducted **20** 1-on-1 web development sessions for international and domestic students, tailoring each lesson to assisting students in debugging languages [**JS, C++, Python, HTML/CSS**] and optimizing backend frameworks, driving the completion of **4+** real-world projects
- Applied **UX design** principles to enhance web development lessons

AigoLearning

March 2023 - Feb. 2024

Assistant Instructor, Scratch

- Taught **conditionals, loops, and variables** to international students to build interactive projects and develop strong problem-solving skills with hands on lessons that laid the foundation for students to progress to more advanced programming languages such as **Python & JavaScript**

Handshake AI

Feb. 2026 - June 2026

AI Model Testing Intern

- Analyze patterns and anomalies in AI behavior to strengthen analytical and investigative skills.
- Evaluated AI outputs across text, image, and multimodal formats to detect errors and unsafe responses.

VOLUNTEER EXPERIENCES

BAPS Shri Swaminarayan Mandir | 2019 - Present

Flushing, NY

Coordinator, Volunteer

- Build community connections by networking with **90+** participants during weekly assemblies and events
- Organized and managed communications for **300+ contacts**, streamlining email campaigns and program presentations throughout creative designs
- Recruited volunteers for nonprofit events supporting **1,000+ global charities**

Audio & Visual | 2023 - Present

Flushing, NY

Photographer Intern

- Documented large-scale celebrations with over **1,000 attendees** across the Northeastern U.S., ensuring coverage through storytelling of the events
- Collaboration with a team to capture impactful moments, showcasing attention to detail and creativity for stories to be delivered and heard

TECHNICAL SKILLS

Systems: Linux, Windows

Tools: Nmap, Wireshark, Snort, Virtual Machines

Programming: Python (basic), SQL, HTML

Cybersecurity: Network Analysis, Incident Response, Ethical Hacking, Phishing Analysis, Packet Analysis

Concepts: TCP/IP, DNS, Port Scanning, MITM, Vulnerability Assessment
